ABOUT THE BOOK

Join best friends Bear and Bird as they follow a mysterious animal trail. On the way, they meet lots of friends and discover common flora and fauna which live in the woodland.

OUR THOUGHTS

"Very interactive and engaging, this title would be great for supporting topics on habitats, native woodland, and our environment."

TIME TO TALK

- 1 Why are Bear and Bird excited at the start?
- 2 Who do you think the footprints might belong to on the second page? Why?
- 3 Why does Bear sigh on the next page? What would he really like to go and do?
- 4 How are the fox footprints different to a dog's footprints?
- 5 Who do they meet at the pond? Why didn't they see who made the footprints?
- 6 Why do you think Squirrel is upset when he pops out?
- 7 Why do the rabbits scamper in all directions when they see the fox?
- 8 How many things can you remember that the animals saw on their woodland adventure? Which of them would you most like to see?
